Subject: Five-Year Review of Reclamation Surety and Demand for Payment of 2007 Permit Fees, Burningham Enterprises, Mammoth Ridge #1 Mine, S/017/048, Garfield County, Utah.

Dear Mr. Burningham:

The Division has recently evaluated and adjusted the required reclamation surety for Mammoth Ridge #1 mine. Per R647-4-113.6.12, the surety amount has been escalated to the year 2011 based on a 3.2% escalation rate.

The amount of the increase is \$2,700.00, bringing your total bond amount for 5 acre to \$18,200.00. Please contact Mr. Jed Pearson, Division Minerals Surety Coordinator to discuss the steps necessary to update the reclamation contract and obtain details on how to submit the increased surety amount. He can be reached at (801) 538-5382 or [bondcoordinator@utah.gov](mailto:bondcoordinator@utah.gov).

Please provide the updated surety amount within 90 days of the date of this letter.

In addition, permit fees for 2007 have not been paid. ***Please remit \$150.00 to the Division immediately*** to avoid a notice of violation.

Thank you for taking the appropriate action to maintain the surety in a current status.

Sincerely,

  
Susan M. White  
Mining Program Coordinator  
Minerals Regulatory Program
